David A. Dickerson
Cabinet Secretary

August 24, 2016

The Office of Occupations and Professions is developing an online renewal for your license. Once online you will be able to print cards and certificates, see historical data, payments and complete the application. Renewal notices will go out and your renewal date is October 31, 2016. Your grace period extends your licensure and the ability to practice until December 31, 2016 at which time your license will expire at midnight. Late fees will apply to all applications submitted after the date contained in your regulations.

Please be patient as the development team may not have the online system operational until mid-September. Please do not email or call the Board Administrator, Diana Jarboe, with questions regarding paper applications or online renewal. The Office of Occupations and Professions will keep you fully informed on the board's website at <http://lpc.ky.gov>.
