DEC 2025

A COMMUNICATION
FROM THE KBLPC
BOARD CHAIR

WAIT! MY LICENSE HAS TWO DEADLINES?!?

Yes, according to [KRS 335.535](#). You are responsible for renewing your license and submit your 10 CEUs **by October 31** of each year. Only your license enters a "grace period" between November 1 and December 31 that allows for late renewal. If you did not complete your CEUs prior to the October 31 deadline, you are out of compliance with state law and could be forced to go through reinstatement.

However, at its November meeting, the Board voted to waive reinstatement penalties this year as a final courtesy to licencees. Please be aware of your deadlines moving into 2026!

- CEUs completed by Oct 31
- LPCA/C by Oct 31 (or Dec 31 w/late fee)

MOVING TOWARD COMPACT PARTICIPATION

The Board is working diligently to prepare for active participation in the national Counseling Compact. The [Children's Alliance](#), in partnership with [Senator Julie Raque Adams](#), is working to ensure a bill is introduced that will allow for background checks that meet Compact requirements. It is anticipated that the bill will be introduced in the next legislative session, starting January 2026.
